

## MIBGAS AND OMIE ARE PUTTING THE IBERIAN INSIDE INFORMATION PLATFORM (IIP) INTO PRODUCTION FOR THE ELECTRICITY AND GAS MARKETS

Madrid, 22/12/2020.- MIBGAS and OMIE have put the Iberian Inside Information Platform into production. This platform will allow Iberian market agents in both the electricity and gas sectors to comply with the obligations outlined in article 4 of the European Regulation on Wholesale Energy Market Integrity and Transparency.

The Iberian Inside Information Platform is reported to have received approval for **phase 1** and preliminary approval for **phase 2** from ACER. This will allow all messages sent through it to be considered in compliance with the regulation.
