

## ANALYST AND BUSINESS DEVELOPMENT PROFILE

### > COMPANY

MIBGAS is the Operator of the Organized Gas Market in the Iberian Peninsula, responsible for its operation and the economic management of its services. On its platform, *spot*, *prompt* and futures products of natural gas with physical delivery are negotiated, as well as liquefied natural gas on plants.

### > HIRING PROCESS

MIBGAS is seeking a Business Development and Market Analyst, who will be reporting to the Front Office Department, whose mission will be to analyse the evolution of the gas and energy markets and identify, develop and manage the natural gas and LNG market opportunities, according to the strategy set by the company.

#### JOB DESCRIPTION

- Analysis of the evolution of the gas and energy markets and their fundamentals and monitoring of market results.
- Identification of business opportunities and potential market participants.
- Collaboration in economic-financial analysis tasks.
- Establish relationships with market participants, price reporting agencies and collaborate in training and public events promoted by the company.

#### EXPERIENCE AND SKILLS

- University degree in engineering with a master in energy markets.
- Knowledge of the energy sector, particularly assessing the relationship with energy trading departments of energy companies.
- Between 0-3 years of experience in companies related with energy, trading and markets.
- Results oriented, proactive, multidisciplinary, team worker and with great communicative skills.
- High level English (C1). Additionally, knowledge of Portuguese will be valued.
- Availability to travel.

If you are interested in applying, please send your CV to [personal@mibgas.es](mailto:personal@mibgas.es).

CVs submitted by candidates will be included in MIBGAS database. The [privacy policy of MIBGAS](#) is thereby accepted.
